

REMARKS

In a Notice of Missing Requirements dated November 30, 2006, the United States Patent and Trademark Office asserted that the application as filed did not include a Declaration signed by the co-inventors or a Sequence Listing. Submitted herewith are a signed Declaration as well as CRF and Paper forms of a Sequence Listing, which includes the sequences disclosed in Table I of the specification as filed. The CRF and Paper copies are identical, and do not include any new matter. It is hereby respectfully requested that the United States Patent and Trademark Office add the Sequence Listing submitted herewith to the instant application.

The Commissioner is hereby authorized to charge any deficiencies or credit any overpayments in connection with the filing of this correspondence to Deposit Account No. 50-0426.

Respectfully submitted,

JENKINS, WILSON, TAYLOR & HUNT, P.A.
